

CASE STUDY

Jessica Page

Apprenticeship in
Business Administration
at Braintree College

**“The biggest
benefit is while
training I am getting
paid as well.”**

Introduction

Jessica first heard about the vacancy at Braintree College Witham Campus; the role was for an Apprenticeship in Business Administration. After an interview Jessica chose to work at the College for a number of reasons including the good environment and the opportunity to develop skills in a respected position within the Human Resources Team. “The biggest benefit is while training I am getting paid as well”, comments Jessica.

Achievement

On completion, Jessica will gain her NVQ level 2 qualification in Business Administration. Every Wednesday she attends the Witham Campus to study and work on her business portfolio. Jessica is also completing her key skills in Maths and English.

The Future

Jessica would like to continue with administrative work and praises the College for the opportunity to gain qualifications, work and get paid at the same time!
